reducing food waste

**TOGETHER WE
CAN REDUCE
FOOD WASTE!**

At the Gasterij, we think it's a pity to waste good food and we like to contribute to a better environment.

That is why we now serve our lunch dishes without salad. Would you prefer your dish with it? Please let our staff know!

COZY DINING AT THE GROTE MARKT

Restaurant de Gasterij has a unique location in the heart of Gorinchem.

Within the beautiful city walls, we are located on one of the finest squares in Gorinchem, the Grote Markt.

With our south facing terrace, we can accommodate over 180 guests in summer. And so it is - while enjoying a snack and a drink - ultimate relaxation under the spring and summer sun.

In addition, our number of seats increased by the heated conservatory. So it's also during the cold winter days pleasant to stay at the Gasterij!

hey, hospitality tiger!
